Dear Harold and Lillian,

Dec. 31, 1990

Hank - Irang and I received your letter just before Christmas and we passed along your greetings to Claire and Nicholas. Enclosed with this card is a package intended primarily for Lillian. We had intended to send it before Christmas but just got too bogged down. We were happy to hear that the fruit will be on its way and that you will enjoy it.

Regarding the long memo on Garrison and the "Non-Publishing History of Whitewash," I don't believe you need to send it. I can recall a couple of memos you have sent previously which go into some detail on both subjects. I do appreciate receiving memos from you. About 6 months ago I established a file which is already pretty thick and I have occasionally made use of it and perhaps will have the opportunity to do so in the future. In the future, I hope you will continue to send short things but if there are memos of any length which you feel I should have, just let me know about it and I will be more than happy to defray the xerox and postage costs.

This week I am beginning in ~~earn~~ earnest to prepare for my short-course on the "FBI, Martin Luther King and the Civil Rights Movement". There is much material I have to review. One disappointment is that I did not make it through all the Memphis files you provided me. I got through all on the Sanitation Workers and about four file folders on the Invaders. This week I believe I am going to get into the Marrell McCullough files so that at least I will have some idea of what they contain.

A couple weeks back I received another invitation to speak on JFK. It will be this coming Monday, Jan. 7th to the "Single-Adults" club. I expect perhaps 30-40 people. I am looking forward to it.

Best Wishes,

Jerry
